

# HOUSEHOLD HAZARDOUS WASTE COLLECTION

## Sheboygan County Residents Only

**NOTE: FEES REQUIRED!**

Sheboygan County has established three (potentially four) collection sites for disposing of hazardous wastes, as identified on the next page. The majority of the program is funded with County tax dollars; be prepared to show proof of residency. When those funds are depleted, the sites will be closed until funds are again available.

**Due to an unexpected, very steep increase in the cost of accepting electronics at our events, fees have changed.**

- **\$10 – Vehicles with hazardous waste only.**
- **\$30 – Vehicles with household size (6 items or less) electronics only. If there are more than 6 electronics items, there will be additional fees.**
- **\$30 – Vehicles with both hazardous waste and household size electronics.**

This year's **Clean Sweep Collection Event** will take place on *Friday, June 8* and *Saturday, Jun9*. We encourage citizens to bring their hazardous wastes to these two collection events as much as possible because we receive grant money to help pay for these collection events.

**What kind of materials will be accepted at the events?**

- |  |  |  |
|--|--|--|
| * Flammable liquids  | * Fluorescent bulbs (household quantities) | * Cleaners                             |
| * Oil-based paints   | * Household batteries                      | * Aerosols                             |
| * Solvents   | * Acids and bases                          | * Poisons                              |
| * Varnishes  | * Old gasoline                             | * Antifreeze                           |
| * Thinners   | * Pesticides and herbicides                | * Reactives (typically pool chemicals) |
| * Most Electronics (for detailed list go to <a href="http://www.sheboygancounty.com">www.sheboygancounty.com</a> and navigate to the Planning & Conservation Department website) |  |  |

Are there materials that **WILL NOT** be accepted? **YES! LATEX PAINT**, waste oil, radioactive materials (smoke alarms), explosives, medical wastes, waste medications, pressurized cylinders, large appliances, and tires will not be accepted.

**What can I do with the unacceptable materials?**

- **Waste Oil** is recycled at many sites in conjunction with community recycling programs. See the Sheboygan County Planning & Conservation website for more information. The address is [www.sheboygancounty.com](http://www.sheboygancounty.com).
- **Latex (Water Based) Paint** is not “hazardous.” It can be disposed of with regular garbage once dried. Simply remove the cover to let it dry up, or pour it out in a container and add kitty litter to help it dry.
- **Waste Pharmaceuticals** can be recycled in the lobbies of the Sheboygan, Kohler, Sheboygan Falls, Plymouth, and Elkhart Lake Police Departments. Each department has an anonymous drop box for recycling.

ALSO, during the June **Clean Sweep Collection Events**, other accepted wastes that will be collected are:

- **Agricultural Hazardous Waste** such as pesticides, other chemicals, and pesticide containers. For larger quantities (greater than 250 pounds), please call Mike Ballweg, UW-Extension, at (920) 459-5904 in advance. There may be a cost for Agricultural business wastes.
- **Very Small Quantity Generator Business Hazardous Wastes** from small businesses must call Veolia North America to pre-register their waste 1 week prior to the collection date. Contact Chris Bahlow at (715) 298-2623 for a registration form. There will be a cost for disposing of these items.

**What can I do if I missed the HHW collection event?** Residents should visit the Sheboygan County Planning and Conservation Department’s website at [www.sheboygancounty.com](http://www.sheboygancounty.com) for a schedule of the upcoming household hazardous waste collection events or call (920) 459-3060 for additional information.

**Never leave hazardous wastes at any location. Abandoning hazardous wastes, even from households, is a State and Federal offense.**
