Prevea Health is offering free COVID-19 testing in Ashwaubenon, Oconto Falls and Sheboygan and until further notice

Green Bay – The ability to test more people for COVID-19 is critical in helping to curb the spread of the virus throughout our communities, and with COVID-19 testing kits supplied by the state of Wisconsin, Prevea Health is able to offer free COVID-19 testing at select drive-through sites until further notice.

Testing is available to anyone in Northeast Wisconsin experiencing any of the following symptoms of COVID-19:

- Cough
- Fever
- Chills
- Repeated shaking with chills
- Muscle pain
- Shortness of breath or difficulty breathing
- Headache
- Sore throat
- New loss of taste or smell

Registration on *MyPrevea* is required for testing. Those experiencing any of these symptoms and who wish to be tested must sign up on Prevea's online patient portal, *MyPrevea*. You do not have to be an established Prevea patient to set up an account on *MyPrevea* or to access a free test. *MyPrevea* can be accessed at www.myprevea.com or downloaded as an app on Apple or Google Play. It takes just minutes to set up an account, complete a short assessment and register for a test.

Upon registration, *MyPrevea* users are able to choose between three drive-through testing sites:
1. **Prevea Ashwaubenon Health Center** – 2502 S. Ashland Ave., Ashwaubenon
2. **HSHS St. Clare Memorial Hospital Prevea Oconto Falls Health Center** – 853 S. Main St., Oconto Falls
3. **Prevea Sheboygan Medical Office Building** – 3113 Saemann Ave., Sheboygan

Those tested will be able to access their results within 2 to 7 days, at their own convenience, through their *MyPrevea* account which is safeguarded to ensure patient privacy and confidentiality.

Anyone experiencing severe and life-threatening COVID-19 symptoms should call 911. If they prefer to travel to an emergency room on their own, they should call the hospital prior to their arrival to explain their symptoms. This will provide the emergency department time to prepare for their arrival and be sure others in the area will be protected from the potential spread of infectious disease.

Community members with further questions about free COVID-19 testing at Prevea Health should call (920) 431-1810.

Prevea Health is also offering free COVID-19 testing at locations in Eau Claire and Chippewa Falls. Click here to learn more.

About Prevea Health
Founded in Green Bay, Wis. in 1996, Prevea Health is a health care organization that provides high-quality, primary and specialty health care in 80+ locations across Northern, Eastern and Western Wisconsin in clinic and hospital settings. It is partnered with six Hospital Sisters Health System (HSHS) hospitals across Wisconsin to provide patients a system of highly-coordinated care, close to home: HSHS St. Vincent Hospital and HSHS St. Mary's Hospital Medical Center in Green Bay; HSHS St. Nicholas Hospital in Sheboygan; HSHS St. Clare Memorial Hospital in Oconto Falls; HSHS Sacred Heart Hospital in Eau Claire; and HSHS St. Joseph's Hospital in Chippewa Falls.
