WHEREAS, Sheboygan County received this grant which has meant an enhanced economic environment for businesses along the freight line corridor, and

WHEREAS, Sheboygan County has the opportunity to apply for a similar TEA Grant from the Wisconsin Department of Transportation for the purpose of improving the road base/surface, ensure positive drainage, as well as enhance the safety of County Road C which is a major highway artery serving one of the largest private employers in Sheboygan County (Sargento Foods) as well as several other major local businesses, and

WHEREAS, applying for a TEA Grant to support improvements to County Road C will improve accessibility to the businesses served by County Road C and ultimately will be beneficial in preserving and creating Sheboygan County jobs, and
