Local Vital Records Office Statewide Issuance

Sheboygan County Register of Deeds, Ellen R. Schleicher announced that Local Register of Deeds offices will begin issuing vital records statewide.

Statewide issuance of vital records allows:

- A more efficient method for the Local Register of Deeds Office to serve our customers.
- Local Register of Deeds offices to issue records of birth, death, marriage and divorce certificates from any Wisconsin counties, that occurred within the following dates:

Birth Records October 1, 1907 to present – Effective January 3, 2017

Death Records September 1, 2013 to present

Marriage Records October 1, 1907 to present – Effective January 2, 2020

Divorce Records January 2, 2016 to present

Records that do not fall within the above dates can be obtained from the occurrence county or the State Vitals Records Office. Some records may take time to process.

Allow at least 15 to 30 minutes for issuance.
